

# Management of Small Acreage in the Rock Creek Drainage (Snake River CD)

Program	Water Quality Implementation
Lead Implementer	Snake River Conservation District
Funders	Idaho Association of Soil Conservation Districts, Idaho Department of Environmental Quality, Idaho State Department of Agriculture, Snake River Conservation District, Twin Falls Canal Company, University of Idaho Extension
Other Organizations	U.S. Natural Resources Conservation Service
Project Primary Contact	DeeAnn Scott (deeannscott@cableone.net)
Project Stage	Completed
Duration	2007

## Natural Resource Projects & Practices ➤ Water Quality Implementation

"Conservation Partnership" was formed to look at what could be done to educate small acreage land owners on the importance of water quality and quantity. The partnership selected the improvement of irrigation efficiencies with subdivisions to be the main focus of their efforts.

### Key Accomplishments

- Sprinkler Irrigation System (number): 78

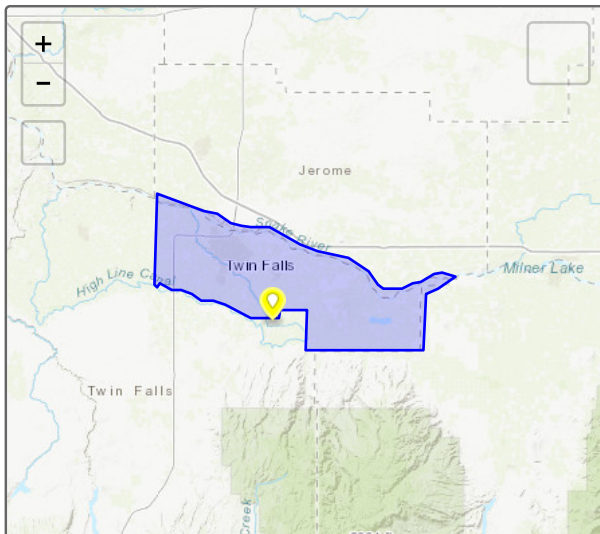

### Project Themes

- Education and Outreach
- Healthy Watersheds
